DIVISION MEMORANDUM

No. **01-026**, s. 2025

INVITATION TO A VIRTUAL ORIENTATION ON NATIONAL SUN YAT-SEN UNIVERSITY (NSYSU) INTERNATIONAL STUDENT PROGRAM AND SCHOLARSHIP

To: Assistant Schools Division Superintendent
Chief of Education Program Supervisors, CID
Chief of Education Program Supervisors, SGOD
Concerned Public Schools District Supervisors & District-In-Charge
Concerned Secondary School Principals/School Head
This Division

1. The field is hereby informed that National Sun Yat-sen University (NSYSU), Taiwan through Dr. Fang-Chuan Chuang, Chair and Distinguished Professor of the Department of Physics is organizing a Google Meeting to introduce the NSYSU International Student Program and Scholarships to prospective students from SDO Siargao at 1:00 pm on February 5, 2025.
2. The session aims to provide valuable information regarding undergraduate studies in Physics at NSYSU, scholarship opportunities, and academic experience in Taiwan. Filipino students currently studying at NSYSU will also share their experiences and insights.
3. Target participants are at least 12 senior high school students who are about to graduate and have a keen interest in Physics and higher education abroad.
4. School heads from schools that offer special science should identify and encourage at least 3 student participants particularly from Siargao National Science High School, Gen. Luna National High School, Del Carmen National High School and Socorro National High School. Your support will help maximize participation and provide deserving students to access quality education and global opportunities.
5. For further inquiries, please email Ms. Glenda R. Dadap at glenda.racho@deped.gov.ph
6. Immediate dissemination of and compliance with this memorandum is directed.

DR. KAREN L. GALANIDA

Superintendent for DepEd - Siargao

Department of Education

*RE: Scholarship Opportunities for Degree Programs and Graduate Studies in
National Sun Yat-sen University*

Dear Superintendent Galanida,

I hope you are doing well.

I am Feng-Chuan Chuang, Chair and Distinguished Professor of the Department of Physics, National Sun Yat-sen University (NSYSU), Kaohsiung, Taiwan.

At our university, we pride ourselves in the high-quality education and research opportunities we have for those with great potential, and we are here to contact you regarding prospective applications for undergraduate students here at NSYSU. In particular, we are looking for those with a keen interest in Physics and believe this opportunity should be extended to great, young minds.

Regarding the academic school year, we expect the class for the **Spring Semester** to start in **February 2025** as usual. In fact, we are still actively and continually recruiting potential degree students to study in Taiwan. Based on our previous experiences, students from the Philippines are usually the top students in their classes and perform well in their chosen research fields. As such, we hope that more students from your area will join our program. Thus, we are organizing a virtual meeting to introduce the NSYSU International Student Programs and Scholarships to the students from **Siargao**.

We hope to have at least 12 student participants. You may choose the most convenient time and date, such that you have ample time to promote and disseminate information to maximize the number of participants. Preferable student participants are those currently about to graduate from high school. We will set up a Google Meet online

國立中山大學物理系
Department of Physics
National Sun Yat-sen University
Kaohsiung, Taiwan 80424

meeting for one hour and we hope the date will be within the week of **January 18 - 22, 2025**. If students have more questions, we may extend it longer. Moreover, some senior students from **the Philippines** will also share their life and study experiences in Taiwan during the introduction.

We are looking forward to hearing from you. Below are my contact information and please do not hesitate to contact me if you have any clarifications:

Prof. Feng-Chuan Chuang
