Dear **Dr. Caberte**:

Good day!

The Provincial Disaster Risk Reduction Management Council (PDRPMC) is excited to announce a special event celebrating the **2025 National Disaster Resilience Month (NDRM)** from July 7-11, 2025, at the Provincial Gymnasium in Surigao City. One of the key highlights of this week-long activity is the **Robotics League: Smart Bots (RSLB) Competition for Disaster Resilience**, organized in collaboration with the Department of Science and Technology (DOST) - Surigao del Norte and the Provincial Research, Innovation, and Science Museum (PRISM) of Surigao del Norte on **July 7, 2025, at 8:00 AM at the Provincial Gymnasium in Surigao City**.

This event is an exciting opportunity designed to foster innovation, teamwork, and practical problem-solving skills among students. It aims to highlight and promote the essential role of robotics in disaster preparedness and resilience. Through this competition, students will have the chance to engage in creative and practical applications of robotics technology, specifically tailored to address and manage disaster scenarios.

In support of this initiative, we are pleased to invite your division to participate by **sending five (5) teams from different schools**. Specifically, we request the delegation of **two (2) teams for the Robotics Competition and three (3) teams for the Robotics Challenge**, which includes two exciting categories: Sumobot and Line Tracer Challenge. With the opening of the new school year, we warmly welcome and look forward to the enthusiastic participation of both Junior High School and Senior High School students.

Your division's involvement will be instrumental in making this event a remarkable success and an enriching experience for all participants. We would appreciate receiving your confirmation on or before July 2, 2025, through this link bit.ly/NDRMRoboticsChallenge. Attached is a copy of the detailed mechanics and criteria for the competition for your reference.

For any questions or further coordination, please contact Engr. Rechill F. Padel of DOST PRISM at dost.sdn@caraga.dost.gov.ph or through her mobile number, 0963-4192-497.

We look forward to your active participation in this meaningful event. Thank you for your support in advancing disaster resilience through innovation and education.

Very truly yours,

CICERO COSME P. TRIPOLI
Provincial DRRM Officer
