Division Memorandum

No. 02-057 s., 2026

TO: Assistant Schools Division Superintendent  
CID Chief, SGOD Chief & Section Heads  
Education Program Supervisors  
Public Schools District Supervisors  
Public and Private Secondary School Heads  
This Division

TRAINING ON CIRCULAR CLASSROOMS: EMBEDDING THE 10Rs IN EDUCATION

1. The Department of Science and Technology (DOST) Caraga through its Provincial Science and Technology Office (PSTO)-Surigao del Norte, is currently implementing a project titled, "Generating Resilient, Ecological, and Efficient Waste Valorization through Community -Driven Circular Economy Innovation and Technology (Green Wave)." In line with this initiative, DOST, in coordination with DepEd Siargao will conduct a training on **February 23-34, 2026** at the Conference Room, LRC Building, SNSU-Del Carmen Camous, Del Carmen, SDN.
2. The objective of this activity is to raise awareness about circular economy principles and equips academics with the knowledge to integrate these practices into their curriculum.
3. The list of participants to the training is found in the Enclosure.
4. Lunch and snacks will be served to the participants during the training. Traveling and other incidental expenses that will be incurred by the participants will be charged to the local funds or MOOE, SEF or PTA funds.
5. For any concerns and inquiries please email [relyn.raza@deped.gov.ph](mailto:relyn.raza@deped.gov.ph).
6. Immediate dissemination of this memorandum is desired and strict compliance is expected.

  
**MANUEL O. CABERTE**

Dear Dr. Caberte:

Greetings!

This letter refers to our previous communication regarding the conduct of the Circular Economy Capacity-Building Training for the Academe entitled "*Circular Classrooms: Embedding the 10Rs in Education*," under the project "*Generating Resilient, Ecological, and Efficient Waste Valorization through Community-Driven Circular Economy Innovation and Technology (Project Green Wave)*" of the Department of Science and Technology (DOST) Caraga.

We would like to inform your good office that the said training, which was earlier coordinated with your institution, has been rescheduled to February 23–24, 2026, due to unforeseen concerns related to participant availability. The training will be conducted at the Conference Room, LRC Building, SNSU – Del Carmen Campus, Del Carmen, Surigao del Norte.

In this regard, we respectfully invite a total of fifteen (15) selected teachers and education supervisors from schools under the DepEd Schools Division of Siargao to participate in the training. The participation of DepEd educators is vital in integrating circular economy principles into classroom instruction, co-curricular activities, and school-based programs, thereby strengthening environmental stewardship and sustainability education among learners.

Should your office have already identified participants, we would appreciate receiving an initial confirmation on or before February 16, 2026, to allow us to finalize the necessary arrangements.

For coordination, you may contact Engr. Mar Joseph Q. Taghoy, Project Technical Assistant I for Project Green Wave, through [greenwave.dost@outlook.com](mailto:greenwave.dost@outlook.com) or +63 905 273 8596.

We look forward to your continued support and collaboration in advancing sustainability and circular economy education in Surigao del Norte.

Thank you very much.

Very truly yours,

**ENGR. NOEL M. AJOC**  
Regional Director
