ONLINE ORIENTATION ON THE PROPER UTILIZATION OF DIGITALIZED
LEARNER'S PROGRESS REPORT (DLPR) FOR GRADE 1

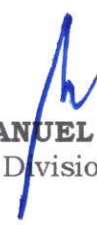

1. Pursuant to the Department of Education's implementation of the **Descriptive Grading System for Grade 1 learners**, replacing the previous numerical grading scheme, all Grade 1 teachers are required to utilize the **Division-Initiated Digitalized Learner's Progress Report (DLPR)** as the official tool for monitoring and reporting learner achievement and progress. As a newly introduced reporting mechanism, proper orientation and capacity building are essential to ensure uniform understanding and accurate utilization of the Digitalized LPR across all schools in the division. Thus, an online orientation is set for **September 18, 2026 – 3:00 PM**, using this MS Teams link: <https://sdosiargao.com/Gr1DLPROrientation>.

 - b. strengthen teachers' understanding of the transition from numerical grading to descriptive grading; and
 - c. ensure accurate and consistent accomplishment of the DLPR for learner progress monitoring and reporting.
3. The activity is being conducted to support the effective implementation of the **new Learner's Progress Report (LPR)** for Grade 1, following the shift from **numerical grading to descriptive grading**, and to ensure that learner assessment and reporting practices are aligned with current Department of Education standards and policies.
4. The participants in this online activity are all Grade 1 Teachers in the Schools Division of Siargao, Public Schools District Supervisors, Private and Public Elementary School Heads, Education Program Supervisors, and CID Chief.
